

SIRGE TECHNOPRICE
A MINT OF TECHNOLOGY

My Welcome Message

Hello I am Oredo, a creative designer come web developer. I stand at a sweet and perfect spot where design and code intersects. I am glad you are here, dive in to see more of what I do to my clients, my self and just for the love of designing. Majorly my essence is to create ties that make people connect with brands and the results are based on providing unique and top notch experiences that make peoples life exiting and easier.

Meet Mr. Oredo

With my ever growing and glowing capabilities feel free to have a look and get in touch.

My Values

Customer focus
Teamwork
Integrity
Efficiency
Research
Innovation

Responsive Web Designs

The list on this page shows the web designs I have worked on. The first two I did them voluntarily and the third and the fourth I did them with a two friends of mine taking the lead role to make sure the [project runs well and smoothly to meet deadlines and still working on the last three.

From the web sites I have designed the logos, for each and slo modified more designs for them, see graphic design works. I

Art touch

This are some of my sample work that I have done using adobe photoshop, adobe illustrator and corel draw to make things look appealing and eye catching to the audience.

GRAPHIC DESIGN WORKS

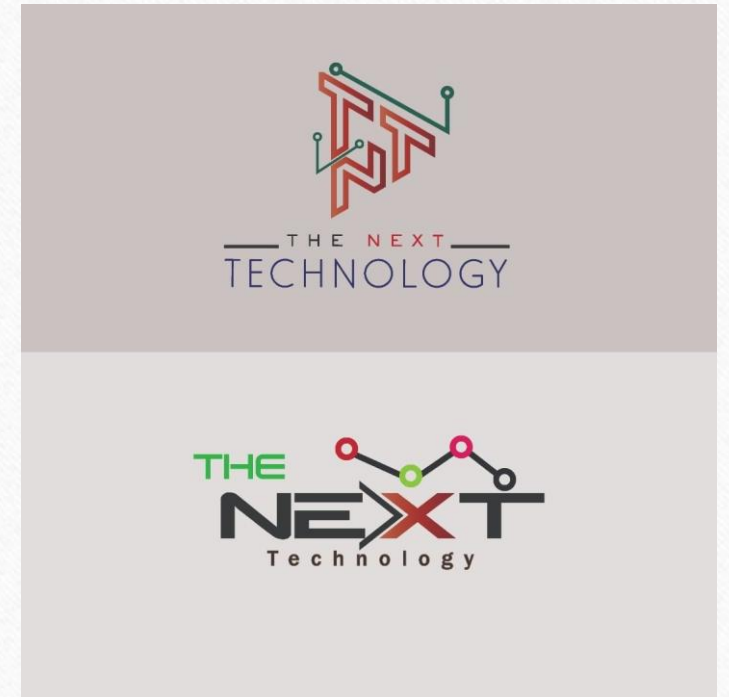

Graphic design is the art of planning, projecting ideas and experiences with visual and textual content.
